

RURAL MUNICIPALITY OF WALLACE-WOODWORTH

BY-LAW NO. 6-2016

Being a By-Law of the Rural Municipality of Wallace-Woodworth  
for the prevention and control of fires and burning within the  
Rural Municipality of Wallace-Woodworth.

WHEREAS it is deemed expedient and advisable to pass a Bylaw to provide generally for the protection of life and property from damages by fire and to regulate burning within The Rural Municipality of Wallace-Woodworth; and

WHEREAS Section 232(1) of *The Municipal Act* provides that a Council may pass Bylaws for municipal purposes respecting the following matters pertaining to:

- a. The safety, health, protection and well-being of people from fire;
- b. The safety and protection of property from fire;
- c. Implementing various programs and or laws for fire prevention purposes;
- d. Implementing various programs for the purposes of fire suppression;
- e. Enforcement of any provincial or municipal statutes as they may apply.

NOW THEREFORE the Council of the Rural Municipality of Wallace-Woodworth, in Council duly assembled, enacts as follows:

**1.0 SHORT TITLE**

*1.1* THAT this Bylaw be referred to as "*The Burning Bylaw*".

**2.0 DEFINITIONS**

*2.1 Authority Having Jurisdiction (AHJ):* the Municipal Council and the duly appointed agents thereof.

*2.2 Barbecue:* a small contained fire that is set in a barbecue, grill, or similar device used to cook food.

*2.3 Bonfire:* a fire built in the open air that is kindled by dry firewood.

*2.4 Designate:* any person authorized by the AHJ to enforce this Bylaw on behalf of the AHJ.

*2.5 Officer:* the Fire Chief, any member of the Fire Service or any person acting on behalf of the AHJ, appointed as a fire guardian for purposes of *The Wildfires Act*.

*2.6 Outdoor Fire:* a fire that is started outdoors including crop residue burning, land clearing, and grass burning.

*2.7 Open Burning:* the outdoor burning of combustible material where smoke is allowed to discharge into the open air from the ground, or other burning device, but does not include the burning of a Bonfire.

*2.8 Yard Waste Burning:* the outdoor burning of yard vegetation waste which includes leaves, and dried garden vegetation.

*2.9 Restricted Yard Waste Burning:* the outdoor burning of branches but does not include the burning of leaves or dried garden vegetation.

*2.10 Nuisance Burning:* the burning in the open of tires, plastics, rubber, creosote soaked or pressure treated wood, oil products, manure, and refuse, This shall not be so interpreted to include gas, charcoal, wood barbecues, or devices used for the preparation of food or Yard Waste Burning.

### 3.0 DELEGATION HAVING AUTHORITY

3.1 THAT the Authority Having Jurisdiction, Chief Administrative Officer, or designate of the Rural Municipality of Wallace-Woodworth, be appointed as Officers for the purpose of enforcing Provincial statutes, regulations, as well as this Bylaw.

### 4.0 RESPONSIBILITIES

4.1 ALL burning within the Municipality shall be subject to the conditions and provisions of *The Wildfires Act*, and the *Manitoba Crop Burning Residue Burning Regulation – MR 77/93*.

4.2 AUTHORIZATION to conduct outdoor fire burning does not exempt or excuse a person from the responsibility, consequences, damages, or injuries resulting from the authorized burning, and does not excuse a person from complying with other applicable laws, ordinances or regulations.

- a. Any outdoor fire shall be supervised by the owner or occupier of the land, or a person authorized by the owner or occupier of the land.
- b. No person shall start an outdoor fire on any land without taking sufficient precautions that are reasonably necessary to protect persons and the property of others from the fire.
- c. No person shall start an outdoor fire unless all precautions are taken to ensure that the fire can be kept under control, or when weather conditions are conducive to a fire burning out of control.
- d. No person shall cause an outdoor fire to be started in order to guard property; clear land or burn debris; burn crop, stubble or grass; unless the land on which the fire is started is completely surrounded by a fire guard consisting of:
  - i. A strip of land free of flammable material, or of sufficient width to control the fire, of not less than 50 feet;
  - ii. By natural or man-made barriers, water; or
  - iii. By a combination of (i) and (ii).
- e. The smoke from an outdoor fire shall not pose unreasonable hazard to the health of any person, or reduce the visibility on any road or highway.
- f. A sufficient water supply and means of fire suppression capable of extinguishing the outdoor fire based on its fuel loading and size, shall be available on site.
- g. All fires must be extinguished when unsupervised.

### 5.0 PROVISIONS
